Rules Secretary Richard Smallwood
No rule changes received from clubs so just the two committee proposals and any needed for SCORY.
New club & team applications received but with no fee. As last year we still have enough issues with lack of committee members without the added stress of new teams / clubs.
AGM recommendation will be that we do not accept anyone until the committee is replenished.
Unanimously agreed.

Fines Committee
One appeal was heard discussed, the result was subsequently issued to the respective club.
